EXHIBITOR AND SPONSORSHIP PROSPECTUS

Exhibit at Ports® ‘25

Become an exhibitor at Ports® ‘25. Put your name and your company’s innovative products and services in the spotlight in our busy exhibit hall. Over 800 attendees from more than 20 countries are expected to attend!

• Show them who you are
• Tell them what you do
• Sell them what they need
Exhibit your groundbreaking port infrastructure products, services, and solutions to a highly-qualified audience.

Since 1977, the Ports Conference has served as the meeting place for the best and brightest minds in the world to share ideas and discuss, debate, and build a consensus around the most pressing challenges, topics, and innovations in the port engineering sector.
I found many presentations to be of value to projects I am working on as well as had several opportunities to interact with consultants and vendors to discuss future projects I am working on.

I thought it was a valuable event – we were happy to showcase our capabilities as exhibitors.

Excellent conference – attend due to strength of technical presentations/papers, networking with vendors, port owners, and government.

Organized. Great Location. Great attendee list.

This conference helped my office understand what other agencies are doing as far as SLR resiliency. We are trying to incorporate resiliency into our waterfront designs.

**Exhibit Fees**

**Before Tuesday, February 18, 2025:**
- Inline booth price – $2,995 10’ x 10’ booth
- Corner booth price – $3,395 10’ x 10’ booth

**Wednesday, February 19, 2025 or later:**
- Inline booth price – $3,395 10’ x 10’ booth
- Corner booth price – $3,895 10’ x 10’ booth

**Exhibitor Provisions**

10’x10’ booth includes:
- Pipe and drape in show colors
- 6’ skirted table
- Two chairs
- One trash can
- One ID sign

**Payment of Exhibit Space**

Applications must be accompanied by 50% of the total space rental, made payable to ASCE/Ports® ‘25 Exhibits, if mailed before Monday, February 10, 2025. All space must be paid in full by Monday, March 10, 2025. After that date, all reserved booth space not paid in full will be released for resale. Contracts submitted after March 10, 2025, must be accompanied by payment in full. Set-up is prohibited until booth space is paid in full.

**Exhibit Cancellation Policy**

Cancellation notification must be submitted in writing to ASCE Show Management. A refund of the total amount paid less a $100 processing fee per 10’x10’ reserved space will be made if cancellation is received before Thursday, April 10, 2025. No refunds will be made for cancellations received on or after Thursday, April 10, 2025.

**Assignment of Exhibit Space**

Space is assigned to companies in good standing and upon receipt of the full payment. Contracts will be dated and assigned in the order received. If your choice of space is not available, the closest space to your original selection will be assigned. No guarantees are made in respect to booth location.

Exhibitors will be notified of their space location no later than three months prior to the conference. Complete the contract enclosed with the prospectus or download the contract at [www.portsconference.org](http://www.portsconference.org) and click on exhibits.

To exhibit at the Ports® ‘25 Conference, contact Sean Scully at sscully@asce.org or (703) 295-6154.
To sponsor at the Ports® ’25 Conference, contact Sean Scully at sscully@asce.org or (703) 295-6154.

**Premier – $20,000 and up**

**Custom Package | Built to Suit**
Exclusive package built to suit (includes corner exhibit booth, sponsorship opportunities, and recognition at platinum level events).

**Platinum – $10,000**

**Ports® ’25 Ice Breaker Welcome Reception**
Make a big impression by sponsoring one of the premier social events of the conference. This networking event will take place the evening of Sunday, June 1, 2025, and will provide a first-class setting for attendees to become familiar with your products by visiting your exhibit. This networking event is also a great way to reconnect with colleagues, mingle and meet new associates. This great networking opportunity kicks-off the Ports® ’25, so you won’t want to miss out.

**Ports® ’25 Evening Gala**
This platinum level sponsorship prominently promotes your company as the sponsor of the Ports® ’25 Evening Gala on Tuesday, June 3, 2025. The Ports® ’25 Evening Gala is an upscale, dressy event and provides a smart way to align your company with your clients. It is the highest profile event of the conference and is an excellent networking and exposure opportunity.

**Gold – $7,500**

**Awards Luncheon**
A longtime favorite of Ports® ’25 attendees, your gold sponsorship allows your company to gain exposure and show your support for awardees being recognized for their contributions in the ports and harbors industry.

**Exhibit Hall Luncheons**
Exhibit Hall luncheons are high-traffic events and are ideal for companies who are also exhibitors. These gold sponsorships promote your company throughout the duration of the luncheon and add to your overall exposure.

**Silver – $5,000**

**Speaker/Moderator Meet and Greet**
Sponsoring this speaker networking events are a great way to gain direct exposure for your company and to liaise with experts in the ports and harbors industry.

**Refreshment Breaks**
Start the day off right by affixing your branded logo on the morning coffee or afternoon snack break supplied to all participants. All coffee breaks will be served in the exhibit hall to allow mingling time during the break period.

**Bronze – $3,000**

**Student Professional Development Event**
Support the future of the ports and harbors profession as a sponsor of this unique event which gives your company the opportunity to network with both educators and students.

**Sponsor Recognition Benefits**

Promote Your Organization’s Products & Services

Whether you’re targeting port engineers, government agencies, contractors, or professionals from engineering and environmental consulting firms, or reaching out to future talent, our platform provides the ideal space for visibility.

The Ports® ’25 audience includes:

- Port engineers and construction management professionals
- Ports and harbors facility management
- Government agencies associated with maritime transportation, security, and national defense
- Contractors (e.g., marine, site development, ground treatment)
- Professionals from engineering and environmental consulting firms and private industry
- University researchers and students

*A big thank you to our past sponsors and exhibitors! We look forward to seeing you in 2025.*

*Bold denotes repeat attendance since Ports® ’16
* Denotes attendance at Ports® ’19 & Ports® ’16*
Who is ASCE?

Founded in 1852, the American Society of Civil Engineers (ASCE) represents more than 152,000 members of the civil engineering profession worldwide and is America’s oldest national engineering society geared to the advancement of science and profession of engineering to enhance the welfare of humanity.

Who is COPRI?

Created in 2000, the Coasts, Oceans, Ports, and Rivers Institute (COPRI) is a semi-autonomous institute of ASCE that serves as a multidisciplinary and international leader in improving knowledge, education, development, and the practice of civil engineering and other disciplines in the coasts, oceans, ports, waterways, and riverine environments.

Who is PIANC?

PIANC is the World Association for Waterborne Transport Infrastructure, established in 1885. Its high-ranking technical reports on the design, development, and maintenance of ports, waterways, marinas, and coastal areas are renowned and provide the global waterborne transport community with expert guidance, recommendations, and technical advice.
BLUE ECONOMY

Rhode Island Blue Economy Technology Cluster (RI BETC): Pioneering the Blue Industrial Revolution

Rhode Island, known as the nation’s Ocean State, is poised for a transformative leap into the Blue Economy. The newly proposed RI Blue Economy Technology Cluster (RI BETC) aims to establish Rhode Island and Southern New England as the global epicenter for blue innovation, with a strong focus on equity and sustainability.

The importance of the Blue Economy to the ports industry and civil engineers cannot be overstated. It presents opportunities for innovation, collaboration, and sustainable development, ensuring that coastal communities like Providence thrive while safeguarding precious marine resources for future generations.

UNLOCKING THE POTENTIAL OF RHODE ISLAND’S BLUE ECONOMY

RI BETC is poised to revolutionize the Blue Economy landscape, planting the seeds for a sustainable and prosperous future. As Smart Bay and RI BETC converge, Rhode Island emerges as the birthplace for the Blue Industrial Revolution.

Here at Ports® ‘25, COPRI provides a platform to discuss these connections. Professionals share insights, explore technological advancements, and address challenges faced by both blue tech and port industries.
